# Rotational Paramedic Scheme

IS YOUR PCN CONSIDERING RECRUITING A PARAMEDIC UNDER THE ADDITIONAL ROLES REIMBURSEMENT SCHEME (ARRS) IN APRIL 2022? ARE YOU INTERESTED IN THE ROTATIONAL PARAMEDIC SCHEME?

- Two Paramedics rotate, to form one whole time equivalent
- Paramedics remain employed by Yorkshire Ambulance Service (YAS), and the PCN claims salary reimbursement through ARRS
- Each paramedic completes a 12 week induction programme consecutively (including one day per week teaching sessions, delivered by the Training Hub)
- Following both inductions, Paramedics alternate six week rotations between the PCN and YAS, on an ongoing basis
- Clinical supervision is required in the PCN, a financial incentive is provided to the PCN to support this during the induction period
- Support for PCNs and Paramedics is available throughout, from YAS and the Training Hub
