

Educational Leadership Fellowship for Doctors, Clinicians and Managers in Primary Care

WHAT IS THE EDUCATIONAL FELLOWSHIP?

A 12 month fellowship in collaboration with the Yorkshire and Humber GP school designed to empower and equip doctors, clinicians and managers with the skills and knowledge to drive innovation and excellence in primary care education. With a focus on developing leaders who can create, enhance, and sustain educational networks across practices and primary care networks (PCNs), fostering collaboration and continuous improvement in medical and clinical training and practice.

WHO IS IT FOR?

- ✓ GP, Clinical professional or manager
- ✓ Working in a GP practice or Primary Care Network In Yorkshire & Humber
- ✓ Demonstrated leadership potential and a commitment to advancing education and training
- ✓ Ideally within the first five years of professional practice and with two years post qualification /post CCT experience within a general practice environment.

 A bursary will be paid to your practice towards your time for 2 sessions a week protected study/professional development time for 12 months of the fellowship programme.

WHAT WILL YOU DEVELOP?

Leadership Skills to enhance capability of the MDT
Innovative approaches to medical & clinical education
Community of Educational Leaders and collaborators
Growth through mentorship, training and networking

INCLUDING...

- ✓ Leadership training & workshops
- ✓ Educational Network Development
- ✓ Project Work & Networking
- ✓ Mentorship & Action Learning Sets
